

Magic Squares - Addition

Complete the Magic Squares by filling in the missing spaces. The *Magic Sum* is given above each square. The three numbers in each row, column, and diagonal should add up to give the Magic Sum. *Note: A number can not be used more than once in any square.*

Magic Sum = 15

3		
	9	2

Magic Sum = 18

	6	
5		2

Magic Sum = 18

9		8
		3

Magic Sum = 18

9		
		8
